Headline:
Breezy and mild with outbreaks of rain to begin.

Today:
It will be a breezy and mostly cloudy day for all of us. There will be periods of rain, heavy at times, through the morning. Drier in the afternoon with some bright spells possible in the south and east. Maximum temperature 18 deg C (64 deg F).

Tonight:
Further rain arriving in the evening, patchier in the north while heavier bursts at times in the south. Drier in the early hours as winds ease. Feeling mild throughout. Minimum temperature 11 deg C (52 deg F).

Wednesday:
Heavy, blustery, and possibly thundery showers spreading northeast through the morning. Drier in the afternoon with some brighter spells. Feeling fresher than Tuesday. Maximum temperature 15 deg C (59 deg F).

Outlook for Thursday to Saturday:
Sunny spells and isolated showers on Thursday as it also turns colder. Much drier on Friday. Largely settled on Saturday but turning milder again.
